

TESTIMONIALS

Dear Mark,

Thank you so much for the way you represented me in my DWI case. Other attorneys might have just shown up in court and recommended a plea bargain which would have resulted in a guilty verdict. You really worked my case and discovered mistakes made by the police. Thanks to you I was found not guilty and I left court without punishment or a criminal record.

Thanks again,

George L.

Dear Mr. Lechowicz,

I recently had the pleasure of making your acquaintance and retaining your services during a difficult time for me. I wanted to thank you for a job well done, and I was most pleased with the outcome. I believed that we had a good case and I was confident in your ability to represent me. The outcome on the trial morning was excellent and I could not have hoped for better. As soon as I get my license I will bring a copy of it to you. I truly appreciate all the hard work, thought and time that you put into my case. I will definitely recommend you to anyone I know who needs the same kind of help.

Best wishes,

Brent H.

Dear Mark,
